WE HELP YOU WIN THE GAME

## SGL SHOWCASE

ECONOMICAL GRASS MANAGEMENT

3 July 2019  
Brøndby Stadium

Dear sir, madam,

We'd like to invite you to the SGL Showcase on July 3rd at the Brøndby Stadium. The event is centered around economical grass management, with grow lighting systems in particular. A year ago Brøndby IF invested in SGL Select lighting units, which are refurbished SGL grow lighting systems. Besides investing in previously owned systems, there are many more economical ways to purchase and use grow lighting systems, to make them cost-effective and even increase your profits.

During the showcase both SGL and users of the system will tell you much more about the possibilities and opportunities for growing a high quality pitch at the lowest possible costs. The event is free of charge and open to anyone involved in sports fields management. The programme includes a networking lunch and drinks afterwards.

For more information, the programme and registration, please click on the button below or send an email to [n.vanloo@sglconcept.com](mailto:n.vanloo@sglconcept.com).

We hope to see you on July the 3rd at the Brøndby Stadium!

Kind regards,  
SGL
